

# Florida Stormwater Association 2009 Scholarship Award

**Program Description:** The Florida Stormwater Association's Scholarship Program awards financial assistance to qualified students attending Florida colleges and universities whose education interest is in stormwater research, management or finance.

**Eligibility:** Applications will be accepted from graduate students in colleges or schools of engineering, natural science, public administration (or closely related fields) that have an interest in stormwater management or finance. Eligibility is limited to students in good standing that are enrolled in a graduate program at a Florida college or university, and plan on attending classes in the Fall 2009 semester.

**Awards:** A scholarship of \$2,000 will be awarded. The award will be presented during the Thursday Luncheon at the Florida Stormwater Association Winter Conference, which will be held December 2-4, 2009 in Tampa. Award recipients should plan to attend the Conference and will be given a complimentary Conference registration (includes meals) and one nights stay at the Conference hotel.

**Application Process:** To be eligible for the scholarship, applicants must submit the following information no later than **August 14, 2009:**

- A completed application form.
- A letter of transmittal applying for the award. The letter should provide a brief biographical sketch explaining your interest in stormwater and a discussion of your career goals relating to stormwater. The letter should also detail your need for and the intended use of the scholarship.
- A letter of recommendation from your major professor(s).
- A sealed copy of your official transcripts. If the transcripts are being sent directly from the college, please include a contact phone number to verify mailing.
- A brief (one to two pages) paper that summarizes a recent stormwater-related project or research effort in which you were involved, or a brief paper that describes the importance of stormwater management in today's society.

For additional copies of the application contact FSA at (888)221-3124, visit the FSA website at [www.florida-stormwater.org](http://www.florida-stormwater.org) or email us at [stormwater@ksanet.net](mailto:stormwater@ksanet.net).

## About the Florida Stormwater Association

FSA is a non-profit professional association of local governments, engineering/consulting firms and other organizations that have an interest in stormwater management and finance. FSA was formed in 1993 and now has over 250 member organizations. It provides three basic services to its members: training and education; technical assistance and information sharing; and advocacy/legislative relations. For more information, go to [www.florida-stormwater.org](http://www.florida-stormwater.org).

# Florida Stormwater Association 2009 Scholarship Award

*The Purpose of the FSA Scholarship is to Recognize Florida Graduate Students Pursuing Careers in Stormwater Programs*
