

# **2021 WINTER CONFERENCE**

---

**DECEMBER 1-3, 2021**

## Florida Stormwater Association 2021 Winter Conference

*A Message from our President...*

Thank you for joining us for the 2021 Winter Conference! We are excited to be your “one-stop-shop” for the latest information on surface water policy and best practices in stormwater management. The Conference Committee has worked hard to create an outstanding online program of workshops with many opportunities for you to learn and network with your peers.

Here are a couple of details to help you make the most of your time with us...

- **Agenda** – View/Download the agenda at [www.florida-stormwater.org/2021-winter-conference-agenda](http://www.florida-stormwater.org/2021-winter-conference-agenda)
- **Live Conference** – Access the live conference at [www.florida-stormwater.org/2021winterlive](http://www.florida-stormwater.org/2021winterlive). From the live conference page, you can select the sessions that are of interest to you.
- **Chat** – During the live conference we encourage you to talk with your peers through the Chat feature on the Zoom toolbar. Share your comments and thoughts about the presentations and be sure to select “All Attendees and Panelists” to ensure that everyone can see your comments.
- **Q&A** – Submit questions for speakers to answer live through the Q&A feature on the Zoom toolbar. Questions are encouraged and are a great opportunity to interact with speakers and further your education.
- **Continuing Education and Evaluations** – You will receive an email at the conclusion of each day for which you are registered for the conference. The email will include a link to an online Continuing Education and Evaluation Form. For details, visit the CE section in this notebook.
- **Sponsors** – FSA would like to thank all of the Winter Conference Sponsors! We encourage you to contact these sponsors to thank them for their support of FSA. To view sponsor messages visit [www.florida-stormwater.org/2021winterconferencematerials](http://www.florida-stormwater.org/2021winterconferencematerials)
- **Conference Materials** – You can access conference materials including presentations, recordings, the conference notebook, sponsor messages and more on the conference materials webpage at [www.florida-stormwater.org/2021winterconferencematerials](http://www.florida-stormwater.org/2021winterconferencematerials)
- **Watch on Demand** – We understand that you may not be able to join us for the full conference. We’ve pre-recorded all of the educational sessions so that you can watch on demand at a time and place that works best for you. Registrants will have access to all content for a full year!

I would like to take this opportunity to thank our Conference speakers, sponsors, and the Conference Committee members. Their assistance and support make this event possible. We hope you enjoy your time with us!

If you have any questions don’t hesitate to contact our staff. We hope you enjoy the Conference!

Elliot Shoberg, President  
Florida Stormwater Association

# Florida Stormwater Association 2021 Winter Conference

## LIVE CONFERENCE HELPFUL HINTS – TOP 4 THINGS YOU NEED TO KNOW!

Please review to make the most of your conference experience:

1. **Zoom Compatability** – The live conference will be conducted via Zoom Webinar. Complete the Zoom Test at <https://zoom.us/test> to ensure compatibility.
2. **Live Conference Page** – Go to <https://www.florida-stormwater.org/2021winterlive> to access the live conference page. See sample page below. From the live conference webpage you can select the sessions that are of interest to you.

3. **Zoom Toolbar** – Make the most of your conference experience through Chat and Q&A:
  - Chat = In-session communications. Be sure to select “All Attendees and Panelists”
  - Q&A = Questions for presenters

4. **Technical Issues** – If you experience technical issues during the live conference, please follow the steps below:
  - Close your browser
  - Access the live conference page
  - Reconnect to the session

If technical problems persist, please contact FSA at [info@florida-stormwater.org](mailto:info@florida-stormwater.org) or 888-221-3124.

## Florida Stormwater Association 2021 Winter Conference

### CONTINUING EDUCATION INFORMATION

#### Professional Engineers

Florida Professional Engineers attending this conference will be eligible for Professional Development Hours on an hour-per-hour basis. Professional Engineers and Certified Floodplain Managers must submit paperwork each day including their license number to receive credits. (FSA Provider #03854 – Area of Practice).

#### All Other Professions

FSA is happy to provide you with a Certificate of Attendance for attending our conference. A Certificate of Attendance will be sent to all attendees that complete a Continuing Education and Evaluation Form(s).

---

#### Instructions:

You will receive an email at the conclusion of each day for which you are registered to participate in the conference. The email will include a link to an online Continuing Education and Evaluation Form. **You must fill out a form for each day that you are requesting continuing education.** We will only be able to accept forms during the conference; forms cannot be submitted after the conference.

After the conference, FSA will email you a Certificate of Attendance showing the total number of continuing education hours you received. You can use that certificate as proof of attendance.

***Don't miss out on continuing education!  
Be sure to...***

If you have questions contact FSA at [info@florida-stormwater.org](mailto:info@florida-stormwater.org) or 888-221-3124.

**HAVE ONE OF THESE?**

**GET ONE OF THESE!**

# STORM CLEAN

STORMWATER FILTRATION SYSTEMS

## ***DEDICATED SAMPLE PORT***

Each Storm Clean insert includes a patented, easy to use sample port allowing for treated water to be tested.

## ***EASY INSTALL & MAINTENANCE***

Storm drain systems need to be easy to install and maintain- so that's how we designed ours.

## ***SUPER-TOUGH CONSTRUCTION***

Made of steel and capable of resisting heavy equipment servicing, our inserts are also light enough to be serviced by hand.

## ***NO MODIFICATIONS REQUIRED***

Storm Clean filter inserts fit any stormwater drainage structure and assure "Full Capture" of all targeted pollutants.

## ***HEAVY DUTY HATCH SEAL***

A rubber seal sits around the entire insert perimeter. When other inserts leak, CleanWay's hold.

# TREATMENT TRAIN SOLUTION

## Improve Water Quality

StormTrap products can be integrated into a comprehensive stormwater treatment train that features pretreatment, volume control, filtration and harvesting.

The treatment train includes the SiteSaver water quality BMP as a pretreatment device. The SingleTrap or DoubleTrap systems, utilized for storage, filtration or other treatment applications, create one complete solution that removes a wide range of water impurities.
